MIKY BATTLE UNDER WAY ON BEACHHEAD

Renewed Offensives Waged Simultaneously by American Fifth and Eighth Divisions

FIFTH DAY OF AIR OFFENSIVE ON CONTINENT

Armada of Up to 750 Fortresses and Liberators Smash Airfields and Rail Yards

FOLLOWS NIGHT RAIDS

By AUSTIN BEALMEAR

London, May 23—(AP)—Approximately 3,500 Allied planes battered Hitler's Europe today in a day-long assault in which more than 5,000 tons of explosives were loosed on German airfields, rail yards and other military objectives in the fifth day of the renewed pre-invasion aerial offensive.

An armada of up to 750 American Liberators and Flying Fortresses began the daylight smash in a dawn attack on French and German targets after more than 1,000 British night bombers had hit Dortmund and Brunswick in Germany and other continental objectives.

Of the more than 1,700 planes—including fighters—making the American daylight raid, three bombers and three fighters failed to return. The British night attacks cost 35 RAF planes.

The great force of American fighters—more than 1,000 escorted the big bombers on the morning missions—kept German opposition at a respectable distance and the headquarters announcement said that only one bomber formation encountered German fighter opposition and this was scattered by the P-38 Lightnings, P-37 Thunderbolts and P-51 Mustangs.

The first crack of dawn brought out the day attackers. While the American heavy bombers were unloading their deadly cargoes on a wide assortment of installations figuring importantly in the Germans' plans to combat the impending invasion, many of the Mustangs, Lightnings and Thunderbolts in the unusually strong fighter escort probably swooped low to shoot up other objectives.

Still other fighters—RAF Mustangs—carried out supporting sweeps ranging over miles of enemy-held territory to strike targets of opportunity in a continuation of the new phase of the western air war carried out by low-flying American and British fighter planes.

British Minister of Information Declares Enemy is Receiving One of Greatest Thrashings in Their History

SMALL GAINS ARE BEING MADE ON WEST COAST

By NOLAND NORGAARD

Allied Headquarters, Naples, May 23—(AP)—The Allies of the Anzio beachhead smashed forward today in a mighty offensive and simultaneously the Eighth Army drove against the Hitler line from the east, opening a new phase of the battle in Italy to crush the German armies.

At the same time other Fifth Army forces hammered upon Nazi defenses on the coastal sector—only 22 miles below the beachhead.

Lt.-Gen. Mark W. Clark personally directed the assault as the beachhead force, swollen by reinforcements, struck as though in an explosion of the tightly-hemmed mass of military strength.

The Eighth Army opened a renewed battering assault on the reinforced Hitler line on the main front, and Fifth Army men on the coastal sector seized more mountain heights guarding the Appian Way approach to the beachhead.

(Berlin declared Pico—the pivot stronghold in the center of the main front—had been evacuated.) Between 500 and 700 heavy bombers and many other planes hammered at German troops and tanks and targets within a 50-mile radius of Rome in a thunderous spearhead for the beachhead offensive.

Pacing the beachhead charge, Allied light bombers and fighters bombed Nazi concentrations on an eight-mile stretch of dry river bed near the rail line north of Cisterna, German fortress city in the center astride the Appian Way, and swooped low to strafe the Germans.

The hall of bombs, cannon shells and bullets from the Allied air army piling the ground assault rippled at enemy tanks, vehicles and troops, with Liberators and Flying Fortresses joining in blows against German ground forces and transportation lines.

Objectives of the Toem-based drive are Sarni and Maffin Bay airfields which have runways comparable to Wakde's excellent 4,700-foot coral strip.

Firearm fighting boosted the total American casualties in the Wakde-Toem operation to 41 killed and 135 wounded but enemy death numbered 833.

Deeper Aerial Drives Seen In S. Pacific

By ROBERT EUNSON

Advanced Allied Headquarters, New Guinea, May 23—(AP)—American activation of Wakde's airfield brought all New Guinea within range of fighter-escorted Allied bombers today and presaged deeper aerial inroads on the Dutch East Indies—even air penetration of the Philippines.

But while Gen. Douglas MacArthur's planes took off and landed on the strategic island strip, jungle-wise Japanese blocked the advance of Sixth Army Yanks against two other important airfields on the nearby Dutch New Guinea mainland.

Accurate enemy mortar fire kept the Americans pinned against the Toem river in the Toem area which they invaded Wednesday, the day before they stormed Wakde. Heavy artillery was brought up behind the American beachhead to blast enemy positions.

The half of bombs, cannon shells and bullets from the Allied air army piling the ground assault rippled at enemy tanks, vehicles and troops, with Liberators and Flying Fortresses joining in blows against German ground forces and transportation lines.

Virtually every type of Allied plane was flung into the task of carving a path for the offensive in one of history's greatest aerial on- (Turn to Page Seven)

DECISION DEFERRED IN NANCY HOLT'S APPEAL

Harrisburg, May 23—(AP)—The Pennsylvania State Supreme Court has deferred decision on the plea of Nancy Jeannette Holt, of Waynesburg, for a new trial on the commonwealth's charge she poisoned her husband, Jesse Holt, a pipeline tractor driver.

Mrs. Holt was given a life sentence after the conviction of murder last fall and Defense Attorney J. L. Hoot told the court "the Commonwealth failed to prove homicidal death beyond a reasonable doubt.

Chief Justice George W. Maxey commented after the oral argument yesterday the court will read the entire record of the case before acting on the plea.

PRAYER MISSION IN LIFE McKeepsport, May 23—(AP)—Mrs. Cecilia Ann Crotthers, 100 years old today, believes her mission in life is to pray for a return of peace to a world at war. "The only reason God has let me live this long is to pray," the centenarian, blind for the last 50 years, said. "So, I spend most of my time in prayers. I know they will be answered."

Proposal To Restrict News Broadcasts

Washington, May 23—(AP)—A bill against the commercial sponsorship of news broadcasts was included in a series of sweeping amendments to the Federal Communications act presented for consideration today to the Senate Interstate Commerce Committee.

Chairman Wheeler (D-Mont.) who said the proposal evoked "plenty of controversy" in a closed committee session described the tentative bill draft as the handiwork of himself and Senator White (R-Me.) who have held conferences looking toward a compromise of their views on an overall domestic radio policy.

President R. J. Thomas and co-officials of the UAW-CIO had ordered the local's leaders to appear before the UAW-CIO's international executive board tomorrow.

Beuers said he was bound hand and foot and was lying on the floor of a native hut when Japanese soldiers brought in two Americans. Beuers described them as tall, one red-haired and the other dark-complexioned. The Americans were weary after a long walk through the jungle before their capture.

"I can't cut their heads off with giving them a Christian message or they will come back and haunt me," a Japanese soldier named Torino told us," after the Americans had been taken away, Beuers said.

The German then related how Father Luttmann, a German missionary who later died in captivity, gave Torino the Biblical phrases: "Let not your heart be troubled. Ye believe in God, also in me. In my father's house are many mansions. I go to prepare a place for you. I will come again and receive you unto myself, that where I am there ye may be also."

Beuers said Torino spoke English well and memorized the message stage—after more than five weeks.

Strike Affecting 12,000 Called Off

Detroit, May 23—(AP)—The Chrysler Corp. strike causing idleness for nearly 12,000 war workers was called off suddenly today by the executive board of Local 490, United Automobile Workers (CIO).

Ordering strikers back to work, the local's executive board took its action a day before its membership was to appear before the parent UAW-CIO's highest councils "with facts and witnesses" to explain the strike.

President R. J. Thomas and co-officials of the UAW-CIO had ordered the local's leaders to appear before the UAW-CIO's international executive board tomorrow.

Jap Carries Final Christian Message to Captured Yanks

Somewhere in Australia, May 19—(AP)—A Japanese soldier carried a final Christian message from a German Catholic priest to two captured Americanirmen awaiting their fate near Jadang, New Guinea, last July.

The story was told today by August Beuers, Mission Brother from Muenster, Germany, who was among the 100 missionaries liberated when the Americans seized Hollandia from the Japanese last month.

Beuers said he was bound hand and foot and was lying on the floor of a native hut when Japanese soldiers brought in two Americans. Beuers described them as tall, one red-haired and the other dark-complexioned. The Americans were weary after a long walk through the jungle before their capture.

"I can't cut their heads off with giving them a Christian message or they will come back and haunt me," a Japanese soldier named Torino told us," after the Americans had been taken away, Beuers said.

The German then related how Father Luttmann, a German missionary who later died in captivity, gave Torino the Biblical phrases: "Let not your heart be troubled. Ye believe in God, also in me. Beuers said Torino spoke English well and memorized the message stage—after more than five weeks.

American troops have reached Terracina, southern anchor of the Nazis' new defense line, bringing them to within 51 air miles of the center of Rome. To the north, Fifth Army troops have driven into the outskirts of Pontecorvo, while other Allied forces are attacking German positions in the Liri Valley sector.

President Expected to Sign New "Streamliner" Tax Law

By FRANCIS M. LE MAY

Washington, May 23—(AP)—In an emphatic answer to the annual March tax howl over decimals and digits, congress today sent to the White House legislation simplifying the return process for 50,000,000 income taxpayers.

Leaders said the president certainly will sign the "streamliner" into law.

Passed unanimously by the house, and by a voice vote in the senate—thus setting a popularity record for a major tax measure—the "painless" tax bill would relieve some \$30,000,000 persons of the necessity of ever computing another federal income tax return. In addition, it simplifies tax-paying procedures for the other 20,000,000.

Final action came as the house, on a motion by Chairman Doughton (D-NC) of the ways and means committee, accepted technical amendments.

The measure rearranges the whole individual income tax structure, discarding the two-year-old wartime "victory" tax and setting new normal and surtax rates and exemptions—while keeping actual tax burdens at substantially present levels for most persons.

Effective next January 1, the withholding system would be adjusted to take the full tax liability for wage and salary persons earning up to \$5,000. Thus the withholding levy would become the actual tax, beginning next year, for 30,000,000 taxpayers. They would owe no more at the end of the tax year.

While four government agencies sought war-useful work for Brewster's big plants at Johnsville, Pa., and Long Island City, N. Y., whose output of Corsair fighter planes will be choked off July 1, WPB officials expressed strong doubt that either would be permitted to turn to any form of civilian manufacture.

WPB said the Army, Navy, War and Manpower Commission had been asked to report on the possibility of new contracts for Brewster, and that a solution may appear within two or three days.

This gave rise to hope that New York could be strated in time to prevent any prolonged idleness for either the workers or the production facilities.

The Navy cancelled its contract with Brewster as part of an announced reduction in fighter plane output, noting that there was "no dissatisfaction" with the management of Henry J. Kaiser, Pacific Coast shipbuilder who took over the troubled company last year at government request, or with the new management which succeeded Kaiser.

Mercer, May 23—(AP)—District Attorney Edwin C. Moon today said a third charge of murder will be filed against Janice Graham, "probably tomorrow," in connection with the triple slayings on the Everett Wilson dairy farm near here last October 7.

The blonde, 20-year-old former employee on the farm previously had been charged with murder in the deaths of Mrs. Catherine Wilson, 76, and Robert McKay, 70, a pipeline tractor driver.

The body of Mrs. Helen Wilson, wife of the farm owner, was found in a barn, a vertebrae in her neck broken and a rope knotted about her neck. Bodies of the other two, slain with a shotgun, were found in the farmhouse.

Moon said he had no new evidence, but said the charge was being filed because William A. Morrell, 20, a farmhand convicted of voluntary manslaughter in the death of Mrs. Helen Wilson and acquitted of murder in the other slayings, had expressed a willingness to testify.

EDUCATOR ELECTROCUTED Cincinnati, O., May 23—(AP)—High tension wires, apparently weakened by a storm, snapped suddenly wrapped themselves around the neck of 73-year-old Ames Satterfield Fruit, and electrocuted the former Pittsburgh high school teacher as he walked along a street at nearby Harrison, Hamilton County Coroner Frank M. MOTHER OF FIVE KILLED Somerset, May 23—(AP)—Mrs. Mabel Saylor, 45, mother of five children, was killed last night when she was struck by a truck.

CARNegie CORP. ACQUITTED Pittsburgh, May 23—(AP)—A federal court jury today acquitted the Carnegie-Illinois Steel Corporation of a government charge of concealing and falsifying records of tests on steel plates. The verdict was reached last night by the jury of six women and six men and opened in court this morning.

Asserting that some actions of the government have been "disturbing the minds of the people," Bridges said he thought the people were entitled to know if naval transfers had been made as "a part of our patchwork policy of appealing to our spies" at St. Paul.

Reilly said the NLRB under its rules and regulations was unable to conduct a new election in the Chicago plant before it did, a focal point in the entire controversy.

FATL CRASH RESULTS IN DRIVER'S ARREST Lancaster, May 23—(AP)—Blance E. Oliver, 59, Lancaster automobile dealer and former General Motors executive in Philadelphia, was killed last night when his car crashed into a trailer-truck on the Lincoln highway east of here.

State Policemen Mark Morgan and A. Novachek arrested the driver of the truck, Frank Bryant, of Springfield, O., alleging he was driving without lights. The policemen said Bryant told them the truck had blown a fuse and he was searching for a place to drive the big truck off the road when the accident occurred.

The controversy among the Lone Star Democrats waxed so hot that there was even talk of separate meetings of the disputants today.

Democrats went to the polls in Florida to decide between former Congressman Millard Caldwell and Rep. Lex Green as their nominee for governor. Democratic nomination usually results in election in the state.

Maryland and Georgia Republicans also scheduled meetings during the day. In Maryland the state's 16 delegates will be unstructured but Republican leaders there said they favored Dewey's candidacy. In Georgia, at least one district representative out of the 14 delegates already is pledged to Dewey.

RAINS RETARD ALLIED DRIVE AT MYITKYINA

Stilwell's Chinese and Americans Fight Through Downfall to Wipe Out Holding Forces

MOPPING UP AT KOHIMA

By J. B. KRUEGER

Associated Press War Editor

Monsoon rains forced a slowdown in the Allied drive to seize the key Burma City of Myitkyina today and another big operation in the Pacific war—the presumed attack on Japanese-held Marcus island—lay hidden in radio silence.

Lt. Gen. Joseph W. Stilwell's Chinese and Americans fought on through the heavy rains to wipe out the enemy still holding a third of Myitkyina in northern Burma. A glimpse of the difficulties involved was given in a Stilwell headquarters announcement:

"The slow work of eliminating savagely resisting pockets of Japanese, who evidently are prepared to die in their dugouts and behind log entrenchments, continue."

Pacific fleet headquarters at Pearl Harbor remained as silent as the grave in the face of a Japanese announcement an Allied task force had aarily attacked Marcus Island, 1,190 miles from Tokyo, throughout Saturday and Sunday. Tokyo said carrier planes struck at Marcus seven times.

In India British forces have finally ended Japanese attempts to break communications lines in the Brahmaputra valley and along the Assam-Bengal railway, southeast Asia headquarters said.

Around Kohima in eastern India the British were mopping up and the tone of a headquarters announcement was confident: "Progress has been made in all sectors of the Assam front x x x." Another southeast Asia report said 213 Japanese planes were destroyed against a loss of three Allied fighters in the last 10 weeks of the Burma campaign.

In the southwest Pacific Wakde's airstrip—seized only a few days ago—stared receiving planes bearing troops called to reinforce Americans on the flanking New Guinea mainland. The Japanese were bitterly resisting this latest Allied leap up the island's northwest coast.

For the 15th time this month Allied planes Friday bombed Ponape in the Carolines, Adm. Chester W. Nimitz' headquarters said.

Chungking acknowledged the fall of Lushui in the north Honan province only 18 miles from the Shensi border, was acknowledged last night by the Chinese high command. Japanese forces were driving toward Tungkwan, gateway to northwestern China.

The Chinese high command announced today that Chinese forces striking for the Burma frontier from the Salween river have cut the old Burma road at Chefang, only 28

Annual Spring Concert Given At Farmington

The annual spring concert of the Farmington township schools was held in the community house under the direction of Miss Doris Engstrom, music supervisor, the auditorium being completely filled and many having to stand.

Program numbers all very well given including the opening group by the high school orchestra with the audience joining in singing "America"; two vocal groups by grades 1-2; two selections by the high school girls' trio, Agnes Carlson, Clarice Coons and Bernice Lindell; three songs by grades 3-4; an exercise by grades 1-2 with Kathryn Beck as reader; two trumpet solo by Lewis Van Ord; an Indian Pow-wow by grades 3-4; two selections by the girls' chorus; two clarinet solos by Olive Mae Cowles; two soprano solos by Violet Clark; three selections by the mixed chorus.

Another item which was greatly enjoyed was the two-act operetta, "Lazy Town", in which the following principal characters were ably supported by several choruses: Ellen Rapp, Erma Spicer, Mary Eleanor Bosko, Genevieve Carlson, Shirley Stanton, JoAnn Shaffer, Marie Marquis, Gayle Meley, Lowell White, Harry Lank, Jr., Charles Hedges, Edith Carlson, Marie Olmstead, Patty Meley, Mary Lou Hill, John Nelson, Roger Thelin.

1st Lutheran Young Men's Choir On Trip

The newly organized young men's choir at First Lutheran church enjoyed a pleasant trip on Sunday, leaving early in cars provided by Mrs. H. A. Rinard, Mrs. J. B. Leidig and Curtis Goodwin to go to Ringgold, where Mrs. Leidig's brother-in-law, Rev. Guy Wilson, is pastor.

En route they stopped at St. Mark's church in Eddyville for a nine o'clock service, going on to St. James' at Ringgold at 11 a.m.

The young singers, all of high school age, are John and Herbert Schuetz, Dale Soderberg, Fred Schaeffer, Bill Engstrom, Charles Regner, Dick Randall, David Leidig, Ted Ryberg and John Nordin. Mary Jane Schuetz is their accompanist and Mrs. Leidig their director.

In addition to the choral numbers given by the group, Dick Randall played the Rachmaninoff Prelude for each service.

The trip also included a fine dinner given by St. James' parish and a side excursion to the Mahoning Dam.

MEETING TONIGHT

The Warren Council of Weekday Religious Education will hold an important meeting at 7:30 this evening in the Church of the Nazarene, when reports will be presented concerning this year's work and plans will be made for next school term.

NAME OMITTED

Names of two sisters were inadvertently omitted on Monday in the listing of those surviving Pvt. Raymond Hammerbeck, local soldier killed in action in Italy. They were Mrs. Genevieve Phillips, of Warren, and Mrs. Jean Nelson, of Jamestown, N. Y.

ANNUAL EXERCISES

The Plank Road school in Watson township is holding its annual commencement exercises and display of work study at 7:30 p.m. Thursday and all parents and interested friends are invited. The program arranged by the teacher, Mrs. C. Kapp, includes several plays and a Victory pageant.

VISITED CORRY

William Rodgers, of Sheffield visited Corry over the weekend and during Saturday met convivial friends and acquaintances. He finally made his way to the basement of the police station where he collapsed and the police moved him into a cell. He recovered Sunday and produced \$10 for a fine and was allowed to go back to Sheffield.

AT CEREMONIES

A letter which arrived this morning from Mr. and Mrs. Ward Proper, of North Warren, informed members of their family that they were unhurt, except for a few bruises, in the Greyhound accident which occurred at Lebanon, Mo., and were able to continue on to Fredericks, Okla., to be present when their son, Elton G. Proper, receives his wings and commission in the Air Corps.

WORK NEAR COMPLETION

Laying of an eight inch water line to the new addition of the Sylvania plant is near completion. The line is laid not only for the use of water in the plant but will afford plenty of water for fire protection. The installation of an intake at the foot of Second avenue from the Conewango creek which had been much discussed in Council will now doubtless prove unnecessary as the placing of hydrants will also provide additional protection to the churches and homes in that section of the city.

FEAST OF SHOBUOS

Sunday, May 23 the Feast of Shovuos commemorating the Giving of the Law on Mt. Sinai will be celebrated in all Jewish synagogues. Orthodox congregations will also observe the day following. In modern times the festival is marked by a widely observed Confirmation Service for children paralleling the Biblical injunction to bring the first fruits to the altar.

The perennial significance of the holiday for its Jewish observers and for the world at large lies in the traditional Jewish emphasis upon law as the basis of order, liberty and justice.

Templars Meet In Erie; Local Men Have Part

Warren Commandary No. 63 Knights Templars will be one of sixteen lodges in this end of the state participating as hosts with Erie Commandary for the entertainment of the state convention opening today and continuing over tomorrow. High ranking officials will take part in the 91st annual conclave. A breakfast this morning in the Temple grill room opened the festivities. A religious service was held at 1 o'clock in the Church of the Covenant in charge of Sir Knight and the Rev. A. Gordon MacLennan, D.D., LL. D., grand prelate. The Scottish Rites choir sang.

During the two day sessions numbers of Warren Knights will make the trip to Erie to attend the sessions and the various features on the program.

Warren Commandary No. 63 is represented at the gathering by Comander Phillip Peabody, of Kane, and Knights Harold Ross and William E. Yaeger, of Warren.

Bible Story Is Enacted By Jewis Class

The age-old dramatic story of God's giving of the Ten Commandments to Moses on Mt. Sinai was enacted Saturday night when Mrs. Hannah Greenwald presented her Jewish Sunday school class in a playlet entitled "The Lost Scroll" at an open meeting of B'Nai B'Rith Lodge.

The story of the first Shovous, the holiday which will be celebrated by Jews next Sunday, May 28, and commemorates the giving of the tablets of stone by God to the world, was also told.

Scenes of the pilgrimage to the Temple in Jerusalem, which the Jews made each year with the first fruits of the season; the biblical story of Ruth and Naomi; and the work of the child in the rehabilitation of Palestine today, were depicted in a handcraft exhibit by the Sunday school classes.

Children who took part in the program were Monica Rosenzweig, Paul Gordon, Richard Greenwald, Jerry Gordon, Herschel Rosenzweig, Jerry Kippen, Dena Kippen, Barbara Greenwald and Barbara Pearlman.

CAR BROKEN INTO

A car parked by a patron of a local hotel parked on the bridge was broken into last night and thoroughly ransacked. Making a report to the police this morning the owner stated that one window had been broken but nothing in the car had been taken.

CARS TANGLED

Two automobiles tangled yesterday at a parking place in front of the Davidson store. The door of one car came open as the other was driving in and small damage was done. A woman in one car suffered a slight injury to one wrist.

CITED FOR VIOLATION

The local War Price and Rationing Board was notified to hold a hearing for John H. Young on the nature of driving to Florida contrary to gasoline rationing regulations, using up the desired gasoline which he had delayed was necessary for Commercial Lumber Co. business. These charges were readily admitted and he was ordered to turn back a substantial number of C coupons and upon applying for renewals, he was advised they would be reduced substantially. The drive to punish offenders continues with every prospect there will be additional hearings.

ASKS RESERVATIONS

Members of the boys' department of the YMCA are asked to make reservations no later than Thursday evening for the farewell night that has been planned on Friday night for William Parmelee, who is leaving to enter the armed forces. The program, from seven until nine, will include swimming, the initial showing of "Men of Tomorrow", the YMCA's centennial film, other comedies and entertainment features and light refreshments. The party is open to all members of the boys' department.

ANOTHER PIER DAMAGED

While work on the one pier of the Glade Run bridge is nearly completed it is expected that a second pier will also receive attention while the men and machines are on the scene. A second pier has been found to be in bad shape and it will doubtless be rebuilt while the job is under way. It could be done now with less expense than if another contractor was brought in and another movement of machines, etc., to the job had to be done.

WAS CONSTIPATED FOR MANY YEARS!

Now I'm 'Regular' Every Morning!"

Constipated? Then here's an unexpected letter you'll want to read: I'd been troubled with common constipation for many years, was taking laxatives, pills, etc., the time and finding weak and run down. 3 months ago, I was eating KELLOGG'S ALL-BRAN. Now, I have a regular, natural elimination, and I feel better than ever before. "It's the best for my body!" Mr. Samuel D. Blanks, 292 1/2 Highway, Brooklyn, New York. What is this seeming magic of KELLOGG'S ALL-BRAN? Scientists say it's because KELLOGG'S ALL-BRAN can really "get at" the common cause of constipation — namely, lack of sufficient "bulky" elements in the diet. KELLOGG'S ALL-BRAN is one Nature's most effective sources of these elements, which help the body to prepare the colonic wastes easily, natural elimination. KELLOGG'S ALL-BRAN is not purgative! Doesn't work by "weeping out." It's a gentle-acting, "regulating" food!

If you have constipation of this type, eat KELLOGG'S ALL-BRAN or several ALL-BRAN flours regularly. Drink plenty of water. See if you don't find lasting relief! Insist on genuine ALL-BRAN, made only by Kellogg's in Battle Creek.

Plenty Left

SPORTS ROUND-UP

By HUGH FULLERTON, Jr.
New York, May 23—(P)—By way of explaining those Sunday baseball crowds, the figures show that competition still is there, if quality isn't... out of 246 major league games so far, 79 have been decided by one run... that's a .321 average, which is good in any league... incidentally, the Yanks have won five out of six one-runners and the Cards four out of seven. The Indians have played 15 of those tight games and the Braves and Dodgers 13 each... The National Football League turned down George Preston Marshall's proposal to change its name from "league," to "conference"... If you could listen in on a conference between Marshall and the other club owners, you'd understand why they were interested in a permanent one.

Armstrong Is Ready For Best In His Class

By PAT O'BRIEN
Washington, May 23—(P)—Henry Armstrong plans to stay with the ring business yet awhile. Hammin' Henney, only man in fight history to hold three championships at the same time, figures to be a prominent guy in the welterweight picture for some time to come.

"I'm ready for the best in my class," Henry said today, "and I know there'll be no setups where I'm concerned. All the youngsters want a crack at me."

Armstrong stopped Aaron Perry Washington hopeful, in six rounds last night.

In last night's fight Armstrong had the 18-year-old Perry on the floor five times before the referee decided to halt the slaughter. The Associated Press scorecard gave Armstrong five of the six rounds. The bout was scheduled for 10.

Detroit and St. Louis Are Hottest Clubs In the Majors

By JACK HAND
Associated Press Sports Writer

Detroit and the St. Louis Cardinals rank as the two hottest clubs in the major leagues today on the eve of the second intersectional series of the season.

When the Tigers started their eastern swing they were buried in last place but their 10 out of 14 pace sent them soaring into fourth and only four games off the Yankee pace.

Paul (Dizzy) Trout was Steve O'Neill's ace in the spurt, winning all four of his starts, one from each eastern team and allowing only five runs and 29 hits in 36 innings. Hal Newhouser picked up a pair and Rufe Gentry and Stubby Overmire graduated into the victory column to help the cause.

The western teams of the National, paced by the Cardinals with nine triumphs in 13 starts, handled the eastern invaders in easy fashion by playing .615 ball. Only the Boston Braves who put spectacular pitching to break even in 14 games could remain at an even keel. Brooklyn nose dived from fifth to seventh with only four wins in 14 starts.

In the American's east the home teams had the edge but had to scramble to keep above the .500 mark by taking 31 out of 56. Detroit's success saved the other visitors from a complete rout although each showed flashes of form.

All indications pointed toward a real knock-down drag-out scramble in the American. New York has been in and out, alternating with its pitching success Washington flopped badly in blowing four straight to the Tigers and the Browns folded with only four victories in 14. Because the other top teams were losing too, the St. Louis collapse escaped general notice and they were able to hang in second place.

The Cardinals lost a series to Boston, two to one, but tightened their hold on first place while the other western teams began to take charge of the first division. Philadelphia in fourth place is the only eastern nine in the top four and this club had a rocky trip during which they dropped four of 12.

Even the Cubs began to pull out of the basement, taking seven of 13 their last four in a row.

While the rest of the major leaguers are traveling, the New York Giants and Brooklyn will resume night ball in the metropolitan district tonight with an 8:45 p.m. game at Ebbets Field.

Wednesday the National's western entries will be in the east.

American League eastern teams will be on their first extended western road trips.

Baski Preps For a Return With Savold

By FRITZ HOWELL

New York, May 22—(P)—The bearded battler of Madame Bey's—that's what they're calling Joe Baski, the ex-miner from Kulperton, Pa., as he preps for Friday night's 12-round heavyweight scrap with Lee Savold in Madison Square garden.

Joe, although only 22, has raised quite a crop of whiskers during the three-week grind of road and ring work. He plans to shave Wednesday, but he said today he would like to keep the hirsute ad-

"I guess I can't keep it," Baski said, "for the New York boxing commission has a rule that all fighters must be clean shaven when they enter the ring. I'm down to 207½ pounds, five under the weight I had when I fought Savold a couple of months ago. I'll be down to around 202 when I shave off this beard."

Baski is training at Madame Bey's famed fistcuff resort near Chatham, N. J., where such ring

Dixie Walker Continues To Lead Major Leagues In Hits

New York, May 23—(P)—Dixie Walker continued to beat out a torrid tune on the basehit scale to lead both major leagues with a .421 average today as his Brooklyn Dodgers dragged themselves home from a disastrous road trip.

While Walker upped his mark seven points, Thurman Tucker of the Chicago White Sox collected 13 hits in 29 at bats during the week for an American League top mark of .395.

Including games of May 22, Walker has been up 114 times and bashed out 48 hits for his .57-point margin over Stan Musial of the St. Louis Cardinals, his nearest challenger. Musial, the 1943 king, soared into second place at .364 with Boston's Tommy Holes, who was not in the big 10 a week ago, moving into third with .348 on as many hits as Walker. After a stay on the bench, Joe Medwick of the Giants advanced from ninth to tie team mate Phil Weintraub for fifth money at .340.

Newcomers in the National big 10 are Jimmy Wasdell of the Phils and Holmes although both had been up there earlier. Eric Tipton of Cincinnati, Danny Litwhiler of St. Louis and Max McLean of Boston dropped out.

Tucker has a .39-point edge on Detroit's Chuck Hostetter on a season total of 34 hits in 86 at bats. Hostetter, a hustling 33-year-old rookie is one of the surprises of the year with his .357 pace.

Newark, N. J.—Laurent Bouchard, 209½ Montreal, knocked out Gilbert Stromquist, 251½, Austin Tex., 3. Lou Jones, 164 3/4, Augusta, Ga., outpointed Gene Pinter, 167½, McAdoo, Pa. 8.

Philadelphia, May 23—(P)—Two more Phillies ballplayers—outfielder Ron Northe and Rookie Southpaw Pitcher Ken Raffensberger—have been called for pre-induction physical examinations. General Manager Herb Pennock announced.

Northe was previously examined and classified 1-A-L for limited service, but since has been moved to 1-A. He is 24, married and has one child. Raffensberger, 26, is married and the father of two children. He is a native of York, Pa. They will both be examined here Friday.

A third Phillies player, Catcher Ben Culp, will take his pre-induction examination Thursday.

Kane Players Look Good To 'Red' Swanson

Kane Republican: One game of the scheduled two were played on Glenwood Field here Sunday afternoon and resulted in another win for the Little Wolves, who walked off Hazelhurst, 12-5 behind Eddie Fragle's five-hit pitching.

John Luck, who had booked the second game for Holgate with the fast Struthers Wells team of Newark, was left on the limb when no players appeared to play for him. Luck paid the visiting team's guarantee out of his own pocket and a fair sized crowd was disappointed at the absence of the team.

Manager Rabbit Swanson, old timer in minor league ball in this section, took a liking to Fragle, the Wolves' twirler to Buck Byham, husky, led off first baseman, and urged him to be present next Monday to try for minor league berths. The try-outs will be led by a scout for the Pitts Pirates.

MIKY BATTLE UNDER WAY ON BEACHHEAD

Renewed Offensives Waged Simultaneously by American Fifth and Eighth Divisions

FIFTH DAY OF AIR OFFENSIVE ON CONTINENT

British Minister of Information Declares Enemy is Receiving One of Greatest Thrashings in Their History

SMALL GAINS ARE BEING MADE ON WEST COAST

By NOLAND NORGAARD

Allied Headquarters, Naples, May 23—(AP)—The Allies of the Anzio beachhead smashed forward today in a mighty offensive and simultaneously the Eighth Army drove against the Hitler line from the east, opening a new phase of the battle in Italy to crush the German armies.

At the same time other Fifth Army forces hammered upon Nazi defenses on the coastal sector—only 22 miles below the beachhead.

Lt.-Gen. Mark W. Clark personally directed the assault as the beachhead force, swollen by reinforcements, struck as though in an explosion of the tightly-hemmed mass of military strength.

The Eighth Army opened a renewed battering assault on the reinforced Hitler line on the main front, and Fifth Army men on the coastal sector seized more mountain heights guarding the Appian Way approach to the beachhead.

(Berlin declared Pico—the pivot stronghold in the center of the main front—had been evacuated.)

Between 500 and 700 heavy bombers and many other planes hammered at German troops and tanks and targets within a 50-mile radius of Rome in a thunderous spearhead for the beachhead offensive.

Pacing the beachhead charge, Allied light bombers and fighters bombed Nazi concentrations on an eight-mile stretch of dry river bed near the rail line north of Cisterna, German fortress city in the center astride the Appian Way, and swooped low to strafe the Germans.

Lt.-Gen. Mark W. Clark came to the beachhead yesterday, establishing an advanced command post and inspecting U. S. troops on the eve of renewed battle.

The hail of bombs, cannon shells and bullets from the Allied air army piling the ground assault ripped at enemy tanks, vehicles and troops, with Liberators and Flying Fortresses joining in blows against German ground forces and transportation lines.

Virtually every type of Allied plane was flung into the task of carving a path for the offensive in one of history's greatest aerial offensives.

DECISION DEFERRED IN NANCY HOLT'S APPEAL

Harrisburg, May 23—(AP)—The Pennsylvania State Supreme Court has deferred decision on the plea of Nancy Jeanette Holt, of Waynesburg, for a new trial on the commonwealth's charge she poisoned her husband, Jesse Holt, a pipeline tractor driver.

Mrs. Holt was given a life sentence after the conviction of murder last fall and Defense Attorney J. I. Hook told the court "the commonwealth failed to prove homicidal death beyond a reasonable doubt."

Chief Justice George W. Maxey commented after the oral argument yesterday the court will read the entire record of the case before acting on the plea.

Proposal To Restrict News Broadcasts

Washington, May 23—(AP)—A ban against the commercial sponsorship of news broadcasts was included in a series of sweeping amendments to the Federal Communications Act presented for consideration today to the Senate Interstate Commerce Committee.

Chairman Wheeler (D-Mont.), who said the proposal evoked "plenty of controversy" in a closed committee session described the tentative bill draft as the handiwork of himself and Senator White (R-Me.) who have held conferences looking toward a compromise of their views on an overall domestic radio policy.

One provision would prohibit the Federal Communications Commission from prohibiting news broadcasts from the air.

Serious Charges In Sedition Trial

Washington, May 23—(AP)—A defense attorney told the mass sedition conspiracy trial today that "Communists control the government" and that the United States "is on the verge of becoming a Communist country."

Henry H. Klein, counsel for Eugene N. Sanctuary, said Supreme Court Justice Felix Frankfurter, Sidney Hillman, head of the CIO Political Action Committee, and Harold Laski of London (not otherwise identified by Klein) were the "chief instruments of Communism in this country."

Describing the trial as the most important in the history of American jurisprudence, Klein said it was ordered by President Roosevelt to cover the crimes of government and was instigated by "so-called professional Jews."

The trial was nearing the testimony stage—after more than five weeks.

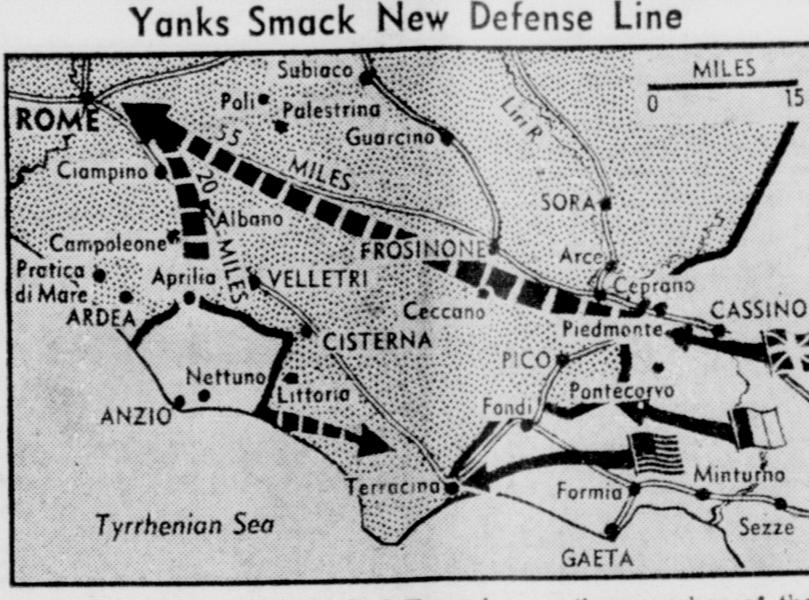

Beuers said he was bound hand and foot and was lying on the floor of a native hut when Japanese soldiers brought in two Americans. Beuers described them as tall, one red-haired and the other dark-complexioned. The Americans were weary after a long walk through

the jungle before their capture.

"I can't cut their heads off without giving them a Christian message or they will come back and haunt me," a Japanese soldier named Torino told us," after the Americans had been taken away, Beuers said.

The German then related how Father Luttmann, a German missionary who later died in captivity, gave Torino the Biblical phrases: "Let not your heart be troubled. Ye believe in God, also in me. In my father's house are many mansions. I go to prepare a place for you. I will come again and receive you unto myself, that where I am there ye may be also."

Beuers said Torino spoke English well and memorized the message.

American troops have reached Terracina, southern anchor of the Nazis' new defense line, bringing them to within 51 air miles of the center of Rome. To the north, Fifth Army troops have driven into the outskirts of Pontecorvo, while other Allied forces are attacking German positions in the Liri Valley sector.

President Expected to Sign New "Streamliner" Tax Law

By FRANCIS M. LE MAY

Washington, May 23—(AP)—In an emphatic answer to the annual March tax howl over decimals and digits, Congress today sent to the White House legislation simplifying the return process for 50,000,000 income taxpayers.

Leaders said the president certainly will sign the "streamliner" into law.

Passed unanimously by the house, and by a voice vote in the senate—thus setting a popularity record for a major tax measure—

the "painless" tax bill would relieve some \$30,000,000 persons of the necessity of ever computing another federal income tax return. In addition, it simplifies tax-paying procedures for the other 20,000,000.

Final action came as the house, on a motion by Chairman Doughton (D-N.C.) of the ways and means committee, accepted technical amendments.

The measure rearranges the whole individual income tax structure, discarding the two-year-old wartime "victory" tax and setting new normal and surtax rates and exemptions—while keeping actual tax burdens at substantially present levels for most persons.

Effective next January 1, the withholding system would be adjusted to take the full tax liability for wage and salary persons earning up to \$5,000. Thus the withholding levy would become the actual tax, beginning next year, for 30,000,000 taxpayers. They would owe no more at the end of the tax year.

No change would be made in amounts withheld from pay envelopes this year, but the government itself would compute the taxes on 1944 income for those with wages and salaries of \$5,000 and less.

It does not disturb the present \$1,500 exemption allowed men and women in the armed services above their regular family status credits.

Suspension Of War Industries Being Studied

Washington, May 23—(AP)—The War Production Board's ability to cope with an eventual flood of war plant shutdowns came up against a test today in the case of the Brewster Aeronautical Corporation, shorn of its job of making fighter planes.

While four government agencies sought war-useful work for Brewster's big plants at Johnsville, Pa., and Long Island City, N. Y., whose output of Corsair fighter planes will be choked off July 1, WPB officials expressed strong doubt that either would be permitted to turn to any form of civilian manufacturing.

WPB said the Army, Navy and War Manpower Commission had been asked to report on the possibility of new contracts for Brewster, and that a solution may appear within two or three days.

This gave rise to hope that New York could be spared in time to prevent any prolonged idleness for either the workers or the production facilities.

The Navy cancelled its contract with Brewster as part of an announced reduction in fighter plane output, noting that there was "no dissatisfaction" with the management of Henry J. Kaiser, Pacific coast shipbuilder who took over the troubled company last year at government request, or with the new management which succeeded Kaiser.

Mercer, May 23—(AP)—District Attorney Edwin C. Moon today said a third charge of murder will be filed against Janice Graham, "probably tomorrow," in connection with the triple slayings on the Everett Wilson dairy farm near here last October 7.

The blonde, 20-year-old former employee on the farm previously had been charged with murder in the deaths of Mrs. Catherine Wilson, 76, and Robert McKay, 70, a farmhand.

The body of Mrs. Helen Wilson, wife of the farm owner, was found in a barn, a vertebra in her neck broken and a rope knotted about her neck. Bodies of the other two, slain with a shotgun, were found in the farmhouse.

Moon said he had no new evidence, but said the charge was being filed because William A. Morrell, 20, a farmhand convicted of voluntary manslaughter in the death of Mrs. Helen Wilson and accused of murder in the other triple slayings, "had expressed a willingness to testify."

EDUCATOR ELECTROCUTED

Cincinnati, O., May 23—(AP)—High tension wires, apparently weakened by a storm, snapped suddenly wrapped themselves around the neck of 73-year-old Ames Satterfield Fruitt, and electrocuted the former Pittsburgh high school teacher as he walked along a street at nearby Harrison, Hamilton County Coroner Frank M. Coppock, Jr., said the wires carried 2,300 volts.

CARNEGIE CORP. ACQUITTED

Pittsburgh, May 23—(AP)—A federal court jury today acquitted the Carnegie-Illinois Steel Corporation of a government charge of concealing and falsifying records of tests on steel plates. The verdict was reached last night when the jury of six women and six men and opened in court this morning.

Asserting that some actions of the government have been "disturbing the minds of the people," Bridges said he thought the people were entitled to know if naval transfers had been made as "part of our patchwork policy of appeasing Russia."

Noting that Russia is at peace with Japan, Bridges stated that Russia and Japan had signed a non-aggression pact which will not expire until April, 1946.

RAINS RETARD ALLIED DRIVE AT MYITKYINA

Stilwell's Chinese and Americans Fight Through Downfall to Wipe Out Holding Forces

Mopping Up At Kohima

By J. B. KRUEGER

Associated Press War Editor

Monsoon rains forced a slowdown in the Allied drive to seize the key Burma City of Myitkyina today and another big operation in the Pacific war—the presumed attack on Japanese-held Marcus island—lay hidden in radio silence.

Lt. Gen. Joseph W. Stilwell's Chinese and Americans fought on through the heavy rains to wipe out the enemy still holding a third of Myitkyina in northern Burma. A glimpse of the difficulties involved was given in a Stillwell headquarters announcement:

"The slow work of eliminating savagely resisting pockets of Japanese, who evidently are prepared to die in their dugouts and behind log entrenchments, continue."

Pacific fleet headquarters at Pearl Harbor remained as silent as the grave in the face of a Japanese announcement an Allied task force had aerially attacked Marcus Island, 1,190 miles from Tokyo, throughout Saturday and Sunday. Tokyo said carrier planes struck at Marcus seven times.

India British forces have finally ended Japanese attempts to break communications lines in the Brahmaputra valley and along the Assam-Bengal railway, southeast Asia headquarters said.

Around Kohima in eastern India the British were mopping up, and the tone of a headquarters announcement was confident: "Progress has been made in all sectors of the Assam front x x x." Another southeast Asia report said 213 Japanese planes were destroyed against a loss of three Allied fighters in the last 10 weeks of the Burma campaign.

In the southwest Pacific Wakde's airstrip—seized only a few days ago—stretches along the Salween river have cut the old Burma road at Chefang, only 28 miles from the Burma frontier.

The Chinese victory isolated the main enemy Burma road base at Lunlin, 35 miles to the northeast, but cutting its supply route from the Salween river have cut the old Burma road at Chefang, only 28 miles from the Burma frontier.

Nazi radio warnings and reassessments about the impending invasion included an estimate that 3,500,000 troops are poised in the south of England for a thrust against the continent, the biggest Nazi estimate thus far.

U. S. army field commanders were in possession of a 24-page booklet from Headquarters urging their full cooperation with war correspondents in sending an accurate report of the fighting speedily back home to counteract Nazi propaganda.

INSTEIN FORTH TERMER

Princeton, N. J., May 23—(AP)—Professor Albert Einstein has spoken in favor of a fourth term for President Roosevelt. Einstein declared yesterday that it would be "very dangerous to change leadership now." He spoke at a meeting of the New Jersey League of Independent Voters at the Princeton Inn.

FIREMAN INJURED

Lancaster, May 23—(AP)—Circus performers for the first four-day stint in the history of the big top.

When the first circus here since 1937 opened yesterday, several thousand people, unable to get in for the matinee, stood outside until the audience left and then filed in to be sure of seats for the night show.

Hardly, Wallace Bros. circus recalled its performers for a second matinee. Overflow crowds again last night forced two shows, the last night ending around midnight.

MOTHER OF FIVE KILLED

Somerset, May 23—(AP)—Mrs. Mabel Saylor, 45, mother of five children, was killed last night when she was struck by a truck.

FATAL PENNSY WRECK

Pittsburgh, May 23—(AP)—Fireman P. Petrucci was killed and Engineer W. A. Leathers was seriously scalped when two locomotives collided in the Pennsylvania Railroad yards here today. Leathers is in a critical condition. Both men are from Pittsburgh.

Convention Ends Hot Fight Among Democrats In Texas

By the Associated Press

After all the fanfare of an election campaign, Texas Democrats convened today with their choice of the state's delegates to cast 48 votes in the national convention apparently hinging on the outcome of a battle between administration and anti-fourth term factions.

At the same time, supporters of Gov. Thomas E. Dewey of New York and Gov. John W. Bricker of Ohio contested at a Republican convention for Texas' 33 GOP delegates. There were strong indications the delegates would be uninstructed, although Dewey supporters claimed they had the edge.

State Policemen Mark Morgan and A. Novachek arrested the driver of the truck, Frank Bryant, of Springfield, O., alleging he was driving without lights. The policemen said Bryant told them the truck had blown a fuse and he was searching for a place to drive the big truck off the road when the accident occurred.

Tension Grows In Britain As Train Schedules Are Cut

Timetables Are Put on Virtual Day-to-Day Basis With Troops Given Priority

NAZI RADIO WARNINGS

London, May 23—(AP)—New invasion tenses gripped troop-packed Britain today as further drastic cuts in main line passenger train schedules left thousands of civilians stranded in stations.

Train timetables throughout the country were put on a virtual day-to-day basis. Troops were given priority on trains still running. Farewells between soldiers and their wives and sweethearts were more poignant than ever.

The appearance of German air scouts over Britain early today, apparently seeking to spot military preparations, added to the sense of invasion immensity. Six of the enemy planes were brought down.

Throughout the country British hatred of the Nazis was fed by a Stockholm dispatch in the Daily Express asserting the shooting of 47 British and Allied prisoners of war, all RAF officers, in the German prison camp Stalag Luft III in March during an alleged escape attempt, was "mass murder."

The Daily Express dispatch said further details had been obtained from RAF officers who had escaped and made their way to Sweden and that an official report based on their statements could be expected soon.

In Stockholm, a British legation spokesman said that so far as he knew there was nothing to the report of the shooting of the Allied prisoners. He said that all information received in Stockholm regarding the executions had come from London.

Nazi radio warnings and reassessments about the impending invasion included an estimate that 3,500,000 troops are poised in the south of England for a thrust against the continent, the biggest Nazi estimate thus far.

U. S. army field commanders were in possession of a 24-page booklet from Headquarters urging their full cooperation with war correspondents in sending an accurate report of the fighting speedily back home

Annual Spring Concert Given At Farmington

The annual spring concert of the Farmington township schools was held in the community house under the direction of Miss Doris Engstrom, music supervisor, the auditorium being completely filled and many having to stand.

Program numbers all very well given including the opening group by the high school orchestra with the audience joining in singing "America"; two vocal groups by grades 1-2; two selections by the high school girls' trio, Agnes Carlson, Clarice Coons and Bernice Lindell; three songs by grades 3-4; an exercise by grades 1-2 with Kathryn Beck as reader; two trumpet solo by Lewis Van Ordin, an Indian Pow-wow by grades 3-4; two selections by the girls' chorus; two clarinet solos by Olive Mae Cowles; two soprano solos by Violet Clark; three selections by the mixed chorus.

Another item which was greatly enjoyed was the two-act operetta, "Lazy Town", in which the following principal characters were ably supported by several choruses: Ellen Rapp, Erma Spicer, Mary Eleanor Bosko, Genevieve Carlson, Sharley Stanton, JoAnn Shaffer, Marie Marquis Gayle Meley, Lowell White, Harry Lank, Jr., Charles Hedges, Edith Carlson, Marie Olmstead, Patty Meley, Mary Lou Hill, John Nelson, Roger Thelin.

1st Lutheran Young Men's Choir On Trip

The newly organized young men's choir at First Lutheran church enjoyed a pleasant trip on Sunday, leaving early in cars provided by Mrs. H. A. Rinard, Mrs. J. B. Leidig and Curtis Goodwin to go to Ringgold, where Mrs. Leidig's brother-in-law, Rev. Guy Wilson, is pastor.

En route they stopped at St. Mark's church in Eddystone for a nine o'clock service, going on to St. James' at Ringgold at 11 a.m. The young singers, all of high school age, are John and Herbert Schultz, Dale Soderberg, Fred Schaeffer, Bill Engstrom, Charles Regner, Dick Randall, David Leidig, Ted Ryberg and John Nordin. Mary Jane Schultz is their accompanist and Mrs. Leidig their director.

In addition to the choral numbers given by the group, Dick Randall played the Rachmaninoff Prelude for each service.

The trip also included a fine dinner given by St. James' parish and a side excursion to the Mahoning Dam.

TIMES TOPICS

BENEFIT GAMES

The public is invited by the VFW Auxiliary to attend its series of games held from 7:30 to 10:30 Wednesday evening in the post rooms, all proceeds going to the activities carried on by the Service Bureau.

MEETIGG TONIGHT

The Warren Council of Weekday Religious Education will hold an important meeting at 7:30 this evening in the Church of the Nazarene, when reports will be presented concerning this year's work and plans will be made for next school term.

NAMES OMITTED

Names of two sisters were inadvertently omitted on Monday in the listing of those surviving Pvt. Raymond Hammerbeck, local soldier killed in action in Italy. They were Mrs. Genevieve Phillips, of Warren, and Mrs. Jean Nelson, of Jamestown, N. Y.

ANNUAL EXERCISES

The Plank Road school in Watson township is holding its annual commencement exercises and display of stury work at 7:30 p.m. Thursday and all parents and interested friends are invited. The program arranged by the teacher, Mrs. C. Kapp, includes several plays and a victory pageant.

VISITED CORRY

William Rodgers, of Sheffield visited Corry over the weekend and during Saturday met convivial friends and acquaintances. He finally made his way to the basement of the police station where he collapsed and the police moved him into a cell. He recovered Sunday and produced \$10 for a fine and was allowed to go back to Sheffield.

AT CEREMONIES

A letter which arrived this morning from Mr. and Mrs. Ward Proper, of North Warren, informed members of their family that they were unhurt, except for a few bruises, in the Greyhound accident which occurred at Lebanon, Mo., and were able to continue on to Fredericks, Okla., to be present when their son, Elton G. Proper, receives his wings and commission in the Air Corps.

WORK NEAR COMPLETION

Laying of an eight inch water line to the new addition of the Sylvania plant is near completion. The line is laid not only for the use of water in the plant but will afford plenty of water for fire protection. The installation of an intake at the foot of Second avenue from the Conewango creek which had been much discussed in Council will now doubtless prove unnecessary as the placing of hydrants will also provide additional protection to the churches and homes in that section of the city.

FEAST OF SHOOVOS

Sunday, May 23 the Feast of Shoovos commemorating the Giving of the Law on Mt. Sinai will be celebrated in all Jewish synagogues. Orthodox congregations will also observe the day following. In modern times the festival is marked by a widely observed Confirmation Service for children paralleling the Biblical injunction to bring the first fruits to the altar. The perennial significance of the holiday for its Jewish observers and for the world at large lies in the traditional Jewish emphasis upon law as the basis of order, liberty and justice.

CITED FOR VIOLATION

The local War Price and Rationing Board was notified to hold a hearing for John H. Young on the nature of driving to Florida contrary to gasoline rationing regulations, using to the purpose gasoline which he had declared was necessary for Commercial Lumber Co. business. These charges were readily admitted and he was ordered to turn back a substantial number of C coupons and upon applying for renewals, he was advised they would be reduced substantially. The drive to punish offenders continues with every prospect there will be additional hearings.

Templars Meet In Erie; Local Men Have Part

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a.m. to 12; 2 to 5 and 7 to 9 p.m.

FUNERAL OF EDDIE E. HAGG
Warren Commandary No. 63 Knights Templars will be one of sixteen lodges in this end of the state participating as hosts with Erie Comendary for the entertainment of the state convention opening today and continuing over tomorrow. High ranking officials will take part in the 91st annual conclave. A breakfast this morning in the Temple grill room opened the festivities. A religious service was held at 1 o'clock today in the Church of the Covenant in charge of Sir Knight and Deacon A. Gordon MacLennan, D.D., LL.D., grand prelate. The Scottish Rites grand choir sang.

During the two day sessions numbers of Warren Knights will make the trip to Erie to attend the sessions and the various features on the program.

Warren Commandary No. 63 is represented at the gathering by Comander Phillip Peabody, of Kane, and Knights Harold Ross and William E. Yaeger, of Warren.

EFFIE LOUISE PHILLIPS
Services in memory of Mrs. Effie Louise Phillips, 209 N. South street, were held at the Lutz funeral home Monday afternoon at two o'clock, Rev. H. C. Warren officiating. Interment was in Oakwood with the following as bearers: G. Whiting, H. Riquer, A. Cobb, S. Gerry, Tom Warr and M. Sikstrom.

Mrs. Georgia Lacy mentioned in Monday's obituary, as having predeceased Mrs. Phillips in death was a daughter, and not a sister.

JAMES L. KEISTER

Funeral services in memory of James L. Keister, 713 East street, were held at 2 p.m. Monday at the Peterson Funeral Home, conducted by Rev. O. C. Mingledorff, pastor of the Church of the Nazarene. Norman Huck and Roger MacFarland sang two hymns, "Eastern Gate" and "Jesus Lover of My Soul".

Bearers for interment in the veterans plot in Oakland cemetery were R. J. Pring, Ed Mason, Charles Lord, W. H. Fitch, Leo Weidert and Robert Suggert. The military ritual used was in charge of Mr. Fitch, commander; Mr. Nason, senior vice commander; Mr. Lord, junior vice commander; Mr. Fitch, chaplain; Mr. Weidert, officer of the day, with Randall Arters as bugler for taps.

CARD OF THANKS

Words cannot express our thanks to the many friends and neighbors for their kind and thoughtful show us during the passing of our loved one. We greatly appreciate all who have offered their help and also wish to extend sincere thanks to the nurses of Warren General Hospital for the untiring care which they so wonderfully gave her.

W. O. Ettinger and Daughters.

May 23-17

CARD OF THANKS

We wish to thank all our neighbors and friends particularly the employees of the DeLuxe Metal Co., for their extreme kindness and help during the illness and passing of our beloved husband and father.

Mrs. Opal Nowalk, Charelaine and Paul Jr.

May 23-17

CARD OF THANKS

We wish to thank all those who donated cars and flowers at the time of our bereavement.

Mrs. Eddie Hagg and Family.

CARS TANGLED

Two automobiles tangled yesterday at a parking place in front of the Davidson store. The door of one car came open as the other was driving in and small damage was done. A woman in one car suffered a slight injury to one wrist.

ASKS RESERVATIONS

Members of the boys' department of the YMCA are asked to make reservations no later than Thursday evening for the farewell that has been planned on Friday night for William Parmelee, who is leaving to enter the armed forces. The program, from seven until nine, will include swimming, the initial showing of "Men of Tomorrow", the YMCA's centennial film, other comedies and entertainment features and light refreshments. The party is open to all members of the boys' department.

ANOTHER PIER DAMAGED

While work on the one pier of the Glade Run bridge is nearly completed, it is expected that a second pier will also receive attention while the men and machines are on the scene. A second pier has been found to be in bad shape and it will doubtless be rebuilt while the job is under way. It could be done now with less expense than if another contractor was brought in and another movement of machines, etc., to the job had to be done.

WAS CONSTIPATED
FOR MANY YEARS!

Now I'm 'Regular' Every
Morning!"

Constipated? Then here's an un-
expected letter you'll want to read.
I'd been troubled with consti-
pation for years. Was taking laxa-
tives and pills all the time, and had
to walk and run down 3 months ago. I
was eating KELLOGG'S ALL-BRAN.
Now I have a regular natural
constipation, which helps me
feel better!" Mr. Samuel D. Blank, 292
Highway, Brooklyn, New York.

What is this seeming magic of
KELLOGG'S ALL-BRAN? Scien-
tists say it's because KELLOGG'S ALL-
BRAN can really "get at" the
common cause of constipation —
namely, lack of sufficient
solids" elements in the diet.

KELLOGG'S ALL-BRAN is one
Nature's most effective sources

of fiber, which help the
colonies flora fluff up

and prepare the colonic wastes

easy, natural elimination.

KELLOGG'S ALL-BRAN is not

purgative! Doesn't work by
weeping out." It's a gentle-
"regulating" food!

If you have constipation of this
type, eat KELLOGG'S ALL-
BRAN or several ALL-BRAN

flakes regularly. Drink plenty of
water. See if you don't find lasting
relief! Insist on genuine ALL-
BRAN, made only by Kellogg's in
the Creek.

SAMUELSON-PHILLIPS
MARRIAGE ANNOUNCED

Announcement is made today
by Mr. and Mrs. Andrew Phillips,
of Sheffield, of the marriage of
their daughter, Hazel Adeline, to
Harlan Kermit Samuelson, son of
John Samuelson, also of that
place, at 2 p. m. Saturday, May 20,
in the Methodist church, Rev.
Ivan E. Rossell officiating. The
bride was attended by her sister,
Helen Phillips, and Norman Sam-
uelson was his brother's best man.

The couple will reside at 301
Church street, Sheffield. Both are
graduates of Sheffield High
School. Mrs. Samuelson is also a
graduate of Jaqua Beauty School
at Erie and is employed in the
Bidwell Beauty Shop in Sheffield.
Mr. Samuelson is employed by the
Pennsylvania Bottle Company at
the same place.

In addition to many lovely gifts
received at the time of her mar-
riage, the bride-elect was honored
guest for a shower given by Mrs.
Mattice Bidwell.

SERENADE FOR
COUNTY NEWLYWEDS

Mr. and Mrs. Arthur Garber,
whose marriage was recently an-
nounced in these columns, were
honored recently with a serenade
given by friends and relatives
from Meadville, Titusville, Spar-
tansburg, Jamestown, Warren,
Youngsville, Pittsfield, Garland
and their immediate vicinity. After
a delightful lunch had been
served, the couple were presented
with several lovely gifts, includ-
ing a purse of money.

This was the second serenade in
their honor, the previous affair
having been on their return from
a wedding trip. Both are well
known in the vicinity. Mr. Garber
was engaged in a trucking and
lumbering business in that section.

BEAN AND HORSFIELD
RITES IN GEORGIA

Mr. and Mrs. George Horsfield
announce the marriage of their
daughter, Genevieve, to Lt. Dale
Bean, son of Mr. and Mrs. Percy
Bean, Irvine street, the ceremony
having been performed May 18 at
Albany, Georgia.

The newlyweds are expected to
arrive in Warren on Thursday evening
of this week. Lt. Bean having
been granted a ten-day leave.
He received his wings and com-
mission at Turner Field, Ga., and will
return there for further training
with the Air Corps.

LUNCHEON HONORS
MARGARET HUGHES

Mrs. Stuart Aberg and Mrs.
Robert Amero were hostesses for
an attractively appointed Saturday
luncheon at the former's home
212 West Fifth avenue, to compi-
ment Miss Margaret Hughes, who
will be a bride on June 9.

Others seated at the pretty
green and white table were Miss
Audrey Cramer, Miss Lavina
Morganroth, Mrs. Richard Hill,
Miss Martha Rasmussen and Mrs.
Charles C. Blackman. The bride-
elect was presented a gift from
each of her hostesses.

MAY 20

Following the regular meeting
of Starbrick Club Pack Three
members hiked to the home of Mr.
and Mrs. Clayton Armstrong for a
surprise party which marked the 11th
birthday anniversary of Jack
Armstrong. After a period of
games, including bubble blowing
and baseball, dinner was served
at six o'clock by Mrs. Armstrong
and the following den mothers:
Mrs. Marjorie Black, Mrs. Ruth
Morris and Mrs. Lucille Smith.
Mark Rutledge was then present
in a fine talk on "Birds and
Mice".

MRS. BARR TO SPEAK
AT LITTLE VALLEY

Mrs. H. H. Barr will be one of
the speakers for the spring meet-
ing of the Jamestown District
WCS, to be held in Little Valley,
N. Y., on Thursday of this week
in conjunction with the minister-
ial sessions. She will bring high-
lights of the jurisdictional meet-
ing which she attended in New
York.

Also on the program will be
Mrs. Bruce Wright, of Kane, who
is president of the Erie Conference
WCS and recently returned
from attending the general confer-
ences in Kansas City, Mo.

ONE OF THE SPEAKERS

One of the speakers for both the
men's and women's groups will be
Miss Ethel Harpst, of Cedartown,
Ga., who visited Warren when the
district convention was held here
and talked very ably on the work
of her school and home.

SPORTS ROUND-UP

By HUGH FULLERTON, Jr.
New York, May 23.—(P)—By way of explaining those Sunday baseball crowds, the figures show that competition still is there, if quality isn't... out of 246 major league games so far, 79 have been decided by one run... that's a .321 average, which is good in any league... incidentally, the Yanks have won five out of six one-runners and the Cards four out of seven. The Indians have played 15 of those tight games and the Braves and Dodgers 13 each... The National Football League turned down George Preston Marshall's proposal to change its name from "league" to "conference"... If you could listen in on a conference between Marshall and the other club owners, you'd understand why they weren't interested in a permanent one.

Armstrong Is Ready For Best In His Class

By PAT O'BRIEN
Washington, May 23.—(P)—Henry Armstrong plans to stay with the ring business yet awhile.

Hammerin' Henney, only man in fight history to hold three championships at the same time, figures to be a prominent guy in the welterweight picture for some time to come.

"I'm ready for the best in my class," Henry said today, "and I know there'll be no setups where I'm concerned. All the youngsters want a crack at me."

Armstrong stopped Aaron Perry Washington hopeful, in six rounds last night.

In last night's fight Armstrong had the 18-year-old Perry on the floor five times before the referee decided to halt the slaughter. The Associated Press scorecard gave Armstrong five of the six rounds. The bout was scheduled for 10.

Detroit and St. Louis Are Hottest Clubs In the Majors

By JACK HAND
Associated Press Sports Writer
Detroit and the St. Louis Cardinals rank as the two hottest clubs in the major leagues today on the eve of the second intersectional series of the season.

When the Tigers started their eastern swing they were buried in last place but their 10 out of 14 pace sent them soaring into fourth and only four games off the Yankees.

Paul (Dizzy) Trout was Steve O'Neill's ace in the spurt, winning all four of his starts, one from each eastern team and allowing only five runs and 29 hits in 36 innings. Hal Newhauer picked up a pair and Rufe Gentry and Stubby Overmire graduated into the victory column to help the cause.

The western teams of the National, paced by the Cardinals with nine triumphs in 13 starts, handled the eastern invaders in easy fashion by playing .615 ball. Only the Boston Braves who got spectacular pitching to break even in 14 games could remain at an even keel. Brooklyn nosedived from fifth to seventh with only four wins in 14 starts.

In the American's east the home teams had the edge but had to scramble to keep above the .500 mark by taking 31 out of 56. Detroit's success saved the other visitors from a complete rout although each showed flashes of form.

All indications pointed toward a real knock-down drag-out scramble in the American. New York has been in and out, alternating with its pitching success Washington flopped badly in blowing four straight to the Tigers and the Browns folded with only four victories in 14. Because the other top teams were losing too, the St. Louis collapse escaped general notice and they were able to hang in second place.

The Cardinals lost a series to Boston, two to one, but tightened their hold on first place while the other western teams began to take charge of the first division. Philadelphia in fourth place is the only eastern nine in the top four and this club had a rocky trip during which they dropped four of 12.

Even the Cubs began to pull out of the basement, taking seven of 13 their last four in a row.

While the rest of the major leaguers are traveling, the New York Giants and Brooklyn will resume night ball in the metropolitan district tonight with an 8:45 p.m. game at Ebbets Field. That's only a .643 average.

We can't vouch for the truth of this explanation, but it's a good one... back in the old days, Arlie Latham was playing in the outfield on State Island when a goat wandered onto the field... play halted while the athletes pursued the animal and Arlie finally caught the goat and threw it over the fence... as he heaved, Arlie remarked "over the fence is out." And that's how the saying started.

Dixie Walker Continues To Lead Major Leagues In Hits

New York, May 23.—(P)—Dixie Walker continued to beat out a torrid tune on the baseshit scale to lead both major leagues with a .421 average today as his Brooklyn Dodgers dragged themselves home from a disastrous road trip.

While Walker upped his mark seven points, Thurman Tucker of the Chicago White Sox collected 13 hits in 29 at bats during the week for an American League top mark of .395.

Including games of May 22, Walker has been up 114 times and bashed out 48 hits for his 57-point margin on Stan Musial of the St. Louis Cardinals, his nearest challenger. Musial, the 1943 king, soared into second place at .364 with Boston's Tommy Holes, who was not in the big 10 a week ago, moving into third with .345 on as many hits as Walker. After a stay on the bench, Joe Medwick of the Giants advanced from ninth to tie fifth manate at .340.

Newcomers in the National big 10 are Jimmy Wadell of the Phils and Holmes although both had been up there earlier. Eric Tipton of Cincinnati, Danny Litwhiler of St. Louis and Max McLean of Boston dropped out.

Tucker has a .39-point edge on Detroit's Chuck Hostetter on a season total of 34 hits in 86 at bats. Hostetter, a hustling 33-year-old rookie is one of the surprises of the year with his .357 pace.

Local Bowler Tops Singles At Bradford

L. Farr of Warren with a series of games of 157,245 and 223 for 625 replaced A. Connor, of Johnsonburg, as top man in the singles division in the annual spring bowling tournament at the Recreation alleys in Bradford Saturday and Sunday. Out of town bowlers took over temporary possession of the top three places in the singles, while Knapp and Engstrom, of Bradford, rolled into second place in the doubles, with a count of 1167, but twopins behind the leaders M. Mistretta and Tony Laska, of Jamestown. Other high doubles mark over the week-end was credited to H. Wooster and S. Cosmano of Warren, with 1143. Scores of Warren bowlers:

Officer From Tidioute Gets Merit Award

Mr. and Mrs. James Conroe, of Tidioute, have received word that their son, Lt. E. A. Conroe, has been presented with the Legion of Merit Award and are advised that his citation reads as follows:

Eryne A. Conroe, second lieutenant, infantry, service company, 16th Infantry, for exceptionally meritorious conduct in the performance of outstanding services from 11 June 1943 to 8 August 1943. As regimental transportation officer he supervised and facilitated the tactical loading of all vehicles prior to embarkation for the invasion of Sicily. He distinguished himself by placing in operation, almost immediately after the assault landing in Gela, a service pool and de-proofing unit. During the remainder of the campaign he performed invaluable services in the maintenance of a steady flow of supplies to the regiment and in the direction of its shuttle movements.

The award, conferred by Brigadier General E. L. Ford, chief of staff, was by command of General Eisenhower and in the name of President Roosevelt.

This badge is awarded only to infantrymen whose work is outstanding and who pass a series of very rigid tests.

AT ERIE MEETING

Philip F. Peabody, head of Warren Commandery, No. 63, Knights Templar, with Harold A. Ross, commander of Division 12 left Monday afternoon to attend the Grand Commandery of Pennsylvania sessions being held today and Wednesday in Erie. Because of wartime conditions, all entertainment features are omitted from the schedule and only business matters are coming before the group. Leaving this morning for the sessions was William E. Yeager, who is treasurer of the Educational Loan Foundation of the state organization, accompanied by Mrs. Yeager.

DETAIL FOR TODAY

On the Wall

ON THE WALL means wanted on the phone.

Seldom does a soldier get a phone call unless he has cooked up a fancy affair with some chick in town. His dad might call him up to ask if he got the last tenspot sent, but this is the exception rather than the rule.

The ON THE WALL call comes to a soldier generally after he has put in a long-distance call to his sugar or his folks, and waited an indeterminate time for the operator to get it through. The conversation then usually goes something like: "Hello, is that you? Honey?" "Yes, is that you?" "Well, how are you?" "I'm fine how are you?" "Fine—gee, it's good to hear your voice." "It's good to hear yours, too." "How are you, anyway?" "Oh, fine—how are you?" Etc., etc.—then both parties hang up.

Capt. and Mrs. William W. Hay have returned to Fort Snelling, St. Paul, Minn., after two weeks leave at home with their families, Mr. and Mrs. W. K. Hay, Kenmore street, and Mrs. W. W. Hubley, Maple Place.

Pvt. Mendel E. Lawson has been spending ten days with his wife and daughter while en route from his field artillery division at Fort Bragg, N. C., to join ski troops at Camp Hale, Colo.

Pvt. Robert T. Sanders, son of Mr. and Mrs. H. M. Sanders of Sugar Grove, is home from Fort Bragg, N. C., where he has completed 17 weeks of training with the field artillery. After a ten-day leave en route, he will report to Camp Breckinridge, Ky., for further training.

Word has been received by Frank Knapp that his brother, Pfc. Ernest S. Knapp, Jr., who was formerly located at Camp Breckinridge, Ky., has arrived safely in England with his infantry unit. It is learned, also, that Pvt. Roscoe T. Knapp is home on furlough with his wife at Sugar Grove.

Mr. and Mrs. Ralph McCool, of Sheffield, have received word that their son, Keith G. McCool, hospital apprentice first class, has arrived safely in New Guinea.

Mrs. Kenneth Cole has had word that her husband, Pvt. Cole, has been transferred from Lincoln, Neb., to Harding Field, Baton Rouge, La., and is classified as a ground crew mechanic with the AAF.

A special dispatch received from the AAF pilot school at Fort Sumner, N. M., reports that Aviation Cadet Donald N. Grosch, son of Mr. and Mrs. Norman W. Grosch, Warren-Kinza road, is a member of the class being graduated there today. He will be commissioned a second lieutenant in the AAF and will be entitled to wear the silver wings of a flying ace.

Mrs. James McCarthy, 1212 Pennsylvania avenue, west, has been made very happy with the arrival of a huge bouquet of carnations and snapdragons sent as a Mother's Day gift by her son Pvt. Donald O. Frazier, who is with the army in North Africa. Another son, Pfc. Kenneth A. Frazier, stationed at Fresno, Calif., writes his mother that he heard his infant daughter over the telephone on Easter Sunday when he called his wife. The baby, named Esther Elaine, was born March 27. The mother is with her family in Binghamton, N. Y.

It is learned from Camp Lee, Va., that upon completion of highly technical instruction in pro-

cedures of army postal operations at the quartermaster school at that base, Pvt. Eric W. Carlson, 309 Prospect street, will be qualified to serve as an army postal clerk wherever the army fights.

Two local men are listed in the current class of aviation mechanics being graduated from the AAF technical school at Amarillo, Texas. They are Richard M. Larsen, son of Mrs. G. W. McFarland, 8 Myrtle street, and Donald H. Weis, son of Mr. and Mrs. Henry R. Weis, 401 Park street.
